

• Year Round Bespoke Rugby Tours To Mallorca

The scenic island of Mallorca, only 1.5 hours from London Gatwick provides a stunning backdrop of mountains, pine forests and beaches to host the perfect rugby long weekend getaway. The popularity of Rugby in the Balearic Islands – particularly Mallorca, is increasing at a fast escalating rate. There are now eight clubs on the island with senior men's, ladies and junior / mini Rugby teams. Some of the clubs also have veterans teams, thus offering a range of opposition at various skill levels. Mild winters with many hours of sunshine make Mallorca an ideal destination for warm weather mid season training, or short breaks for social touring teams. Teams looking for a more competitive fixture or fixtures can be accommodated with suitable opposition. As the mini / junior Rugby teams are so popular here, we can arrange training camps and mini tournaments, participating with local clubs and schools.

For Rugby enthusiasts looking for a different challenge, for the past 12 years we have hosted the Majorca Beach Rugby tournament on Magaluf beach in early May. This ever popular event attracts thousands of participants and spectators from all over Europe
