

## KENT CRICKET TOURS

- The county of Kent is famously known as the “garden of England” and provides the quintessentially English backdrop to a summer of glorious cricket.
- At Sports Europe we offer teams the opportunity to sample some traditional Kentish hospitality whilst being “hosted” by local teams and staying in the wonderful partially cricket themed London beach hotel, nestling in stunning countryside just outside the picturesque county town of Tenterden.
- The tours can be for 2 or 3 nights and the number of matches played and the format, ie 20/20 or a longer form of the game can be tailored to suit your itinerary.
- Our packages include the following:-
- All return transfers by mini bus or coach from your local area to the London beach hotel and all match venues.
- 2/3 nights B&B twin room accommodation in the London beach hotel.
- Matches v local teams within a 10 mile radius of the hotel.
- Buffet lunches
- Cricket teas
- Evening meals at a local pub.
- Rounds of golf available on request at hotel.
