Location

Rebuilt in 2021*, the St Cassien rowing centre offers modern sports facilities in a beautiful site; it welcomes more than 2000 rowers each year :

- The local Saint Cassien Rowing Club with nearly 1000 practitioners from the Pays de Fayence.

The clubs and league of the Provence Region that train their competition teams every week.

The competition teams of France and Europe for intensive training courses (Rowing Camps).

In addition, modern indoor accommodations and an exceptional view of the lake make the Rowing Base a unique place to host groups, business seminars, etc.

* Funding provided by the Pays de Fayence Communes Community, the Provence Alpes Cote d'Azur Region and the National Sports Agency on a project supported by the National French Rowing Federation.

Breakfast & Lunches

We have been hosting national teams and rowing clubs from all over the world for over 10 years. We have therefore developed our know-how for the development of balanced and generous sports meals.

We work with fresh and quality products and we adapt to your needs.

Our menus are studied and developed to meet the energy needs of athletes and ensure them a healthy lifestyle necessary for their performance
