Coimbra is situated in the Centre of Portugal, two hours from Lisbon, one hour from Oporto, only two hours from Salamanca and two hours and a half from Vigo. Declared Unesco World Heritage since 2012, the City of Coimbra has its own very special mystique, the result of a past full of important events and of the memories of the many thousands of Portuguese who, dispersed around the country or abroad, remember the carefree, easygoing, hopeful years spent here in their youth as students at the University. Coimbra has to offer a all year round perfect weather.
